

Dear Parent:

Grace Bible Church believes God designed the family as the primary place for discipleship. The Faith Path initiative exists to partner with you as you guide your child's spiritual journey one step at a time.

I hope you will take the following simple steps to begin the process in your family.

STEP ONE: WATCH

We have provided a short video that explains the philosophy behind the Faith Path. Please take a few minutes to watch in order to better understand why Grace Bible Church wants to partner with you in fulfilling your most important parenting assignment.

STEP TWO: READ

You will find a brochure that explains our "one step at a time" strategy. If your child is registered with Grace Bible Church, you will automatically receive a emails at the beginning of each school year with options to get the most appropriate Faith Path kit to help you leverage the best faith formation strategy for your child's stage of development. If you don't know whether your family is properly registered or whether we have class information on each child, please go to gracebiblechurch.org/faithpath and update your family profile.

STEP THREE: START

To help you jump start the process of intentionality, this kit includes two activity options called *Faith Walk* and *Faith Handoff*. I encourage you to put a day and time on your schedule right now to get started.

Thank you for taking seriously the task of guiding your child's faith at home. I hope you find the Faith Path initiative helpful. Feel free to visit gracebiblechurch.org/faithpath to learn more and to determine which step you can begin with your child today.

Warm regards,
