Please Pray

SPOTLIGHT: KURDS (TURKEY & SYRIA)

Please pray earnestly for the Kurdish people as they are undergoing unimaginable suffering. Along with loss of life, many have lost their homes, businesses, and communities. Among them there are many believers. It has been said that "Christians accept this is the life they have to live. They have a hold on God's goodness and still worship Him." They are not blaming God. May we remember them in prayer each day and be moved by their great faith.

For all that suffered loss associated with the tornado, may God grant you peace, grace and help in your time of need and recovery. One member specifically requests we pray for those living at 5800 Royal Lane.
