- Tuesday:** Read Ecclesiastes 8.7–17. What are these verses saying about our ability to know or control our lives? What is the author's conclusion about how we should respond to the futility of life?
- Wednesday:** Read Psalm 131. How does David describe his relationship with the Lord? Do you find peace knowing that God's ways are above ours, or do you feel anxious knowing that you don't always understand what God does?
- Thursday:** Read Psalm 34. What does David say about God's protection and provision for "the righteous"? How has God demonstrated his goodness toward you recently?
- Friday:** Read Romans 8.18–28. Do you believe that God is working in your life for your good? Why can this be so hard to believe? Is there a thought that makes it easier to believe?
- Saturday:** Read Ephesians 3.14–21. Are you growing in your knowledge of Christ's love for you? Does Christ's love feel expansive or small right now?
